Endorsement of CEEA Screening Report

Screening Report and Mitigation Measures Review and accepted by:

Date: 10 Feb 2010

Steven Stoddard
Senior Project Engineer
Design and Construction, Infrastructure Services Department, City of Ottawa

The proponent has read and understood this environmental screening report and accepts responsibility for the implementation of the mitigation measures and related monitoring and follow-up programs identified, if any, as well as the prescribed reporting requirements.

12.0 CEEA DETERMINATION AND SIGN-OFF

12.1 Section 20(1) Determination

On the basis of this screening report, Infrastructure Canada has determined, in accordance with subsection 20(1)(a) of CEEA, that the project is not likely to cause significant adverse environmental effects taking into account the implementation of any mitigation and environmental management measures specified in Section 11 of this screening report. As a result, Infrastructure Canada may provide financial assistance to the proponent for the purpose of enabling the project to be carried out in whole or in part.

12.2 INFC Sign-off
